

APPLICATION FOR VOLUNTEERS 2019

On Saturday volunteers can get involved in the festivals main event, Harbour Day which is held at the wharf and Fishermens Co Op. This year activities begin early with a fish market, then stalls, kids' activities and music on lower wharf. Music, food and alcohol can be found upstairs at the Co-Op, beginning mid-morning and continuing into early evening. Sunday is panel day at Surf Club. Then there are many jobs to be done prior to and after the big day. Complete the application, send it in and early January you will be notified of your shift time and job.

THANKS SO MUCH!

Ngaira xx
